Our Family Tech Agreement

Officer Quackers | For families with children in grades 1-8

We agree to practice these habits together:

- ☐ We keep devices in shared spaces and charge them outside bedrooms overnight.
- ☐ We ask before installing an app, buying game items, or making online purchases.
- ☐ We do not share our home address, school, location, or passwords with people online.
- ☐ We do not send pictures to people we only know online.
- ☐ We speak kindly online and ask before sharing someone else's photo.
- ☐ If something feels scary, confusing, or wrong, we stop and tell a trusted grown-up.
- ☐ Grown-ups promise to stay calm, listen, and help instead of blaming.

Our family safety phrase: **Stop. Check. Tell a grown-up.**

Child signature: _____ Date: _____

Parent / caregiver signature: _____ Date: _____

Talk about this agreement again whenever a new device or app joins your family.
