

Little Ducks Lesson: Stop, Don't Share, Tell

Teacher Guide · 1st grade (ages 6-7) · 20 minutes

Goal

Students learn one habit they can use anywhere online: Stop. Don't share. Tell a grown-up you trust.

You need

- Classroom screen with officerquackers.com (choose Little Ducks, then Practice)
- One copy of the student page for each child, and crayons
- The family note (page 3) to send home

Lesson steps

Time	What to do
3 min	Ask: "What do you like to do on a tablet?" Then: "Sometimes things online are tricky. Officer Quackers has a safety habit for that."
3 min	Teach the habit with motions. Stop (hand up). Don't share (zip lips). Tell (point to a grown-up). Say it together 3 times.
7 min	Play Practice on the screen. Read each question aloud (or use the speaker button). Students vote with thumbs up / thumbs down before you tap.
5 min	Student page: color or circle the pictures.
2 min	Each student names one trusted grown-up out loud or draws them. Send the family note home.

Words to know

- Private: something that belongs only to you, like your name, home, school, and password.
- Trusted grown-up: a grown-up who keeps you safe, like a parent, teacher, or school counselor.

Key message

"You are never in trouble for telling a grown-up about something online, even if you made a mistake."

If a student shares that something happened: stay calm, thank them, and don't ask for details in front of the class. Follow your school's reporting procedure; teachers are mandatory reporters. For online exploitation, an adult can report to the NCMEC CyberTipline (report.cybertip.org, 1-800-843-5678). If a child is in danger, call 911.

STOP. DON'T SHARE. TELL A GROWN-UP YOU TRUST.

Try at home (5 minutes)

- Ask your child to show you the three hand motions.
- Ask: "Who are your trusted grown-ups?" Make sure your child knows they can come to you.
- Play Little Ducks → Practice together at officerquackers.com. It's free, with no accounts and no ads.
- Keep tablets and devices in shared rooms, not behind closed doors.

Most important

If your child tells you about something online, stay calm and thank them. How you react decides whether they tell you next time.
